Questions you may have...

- Why doesn't the teacher fill out the behavior form? We are working on responsibility so the students need to recognize their behaviors that are not safe, respectful or responsible.
- Why is my child failing? Please check Skyward for missing assignments and low test grades.
- Why did my child fail their math test? Has all homework been completed? Was their review worked on 2 separate occasions? Did they complete and turn in test corrections when they were offered?
- When can I meet with Ms. Werts? Please call or email AT LEAST 24 hours before for an appointment during my conference time at 10:35-11am.
- How do I get makeup work for my child when they are out for more than 1 day? You may email and give 24 hours for work to be at front office.
- Why does the review need to be worked on 2 separate nights? Studying for math requires practicing of problems and working the same problems on 2 separate occasions provides that practice. The review and test have similar problems.
