DECEMBER 2021

EAGLE FAMILIES,

In an effort to improve the traffic around CCMS during dismissal we will be adjusting our traffic pattern. Please review the image below for a detailed view.

QUARANTINE INSTRUCTIONAL OPTIONS UPDATES

Bastrop ISD has decided to no longer offer remote conferencing. This decision comes from analyzing enrollment numbers in remote conferencing since its inception and looking at COVID rates dropping across campuses.

Effective Wednesday, November 3rd, Bastrop ISD will stop taking entries onto the remote conferencing form. Students who are enrolled in remote conferencing can finish up the week but all services will end on Friday, November 5.

Moving forward, students who test positive will have the option to pick up work from the campus if/as needed or make up work upon their return from quarantine. If you opt to request work from teachers, please be aware that we are able to prep only a few days at a time and may require multiple pick ups.
