

# CCMS PARENT NEWSLETTER

JANUARY 2022

## EAGLE FAMILIES,

Please carefully review the newsletter as there are a few items that may require action on your part. Thanks for all of your support and we look forward to a great spring semester.

## LUNCH APPLICATIONS NEEDED

Please check your mailbox for a copy of the National School Lunch Program application for this school year. Although all children eat breakfast and lunch for free this year (due to COVID), completing the application is still very important for other reasons:

#1 - Your child may qualify for free TSI and AP exam fees.

#2 - A completed application could gain them access to financial aid (FAFSA) and other scholarship dollars.

#3 - Your child's school depends on federal and state funds to provide important programs and staff.

Your student can turn the application in to the front office. If you have questions or need assistance with the form, you can contact Erica Figueroa at 512-772-7245 or at [efigueroa@bisdtx.org](mailto:efigueroa@bisdtx.org).

Thank you for your help and support.

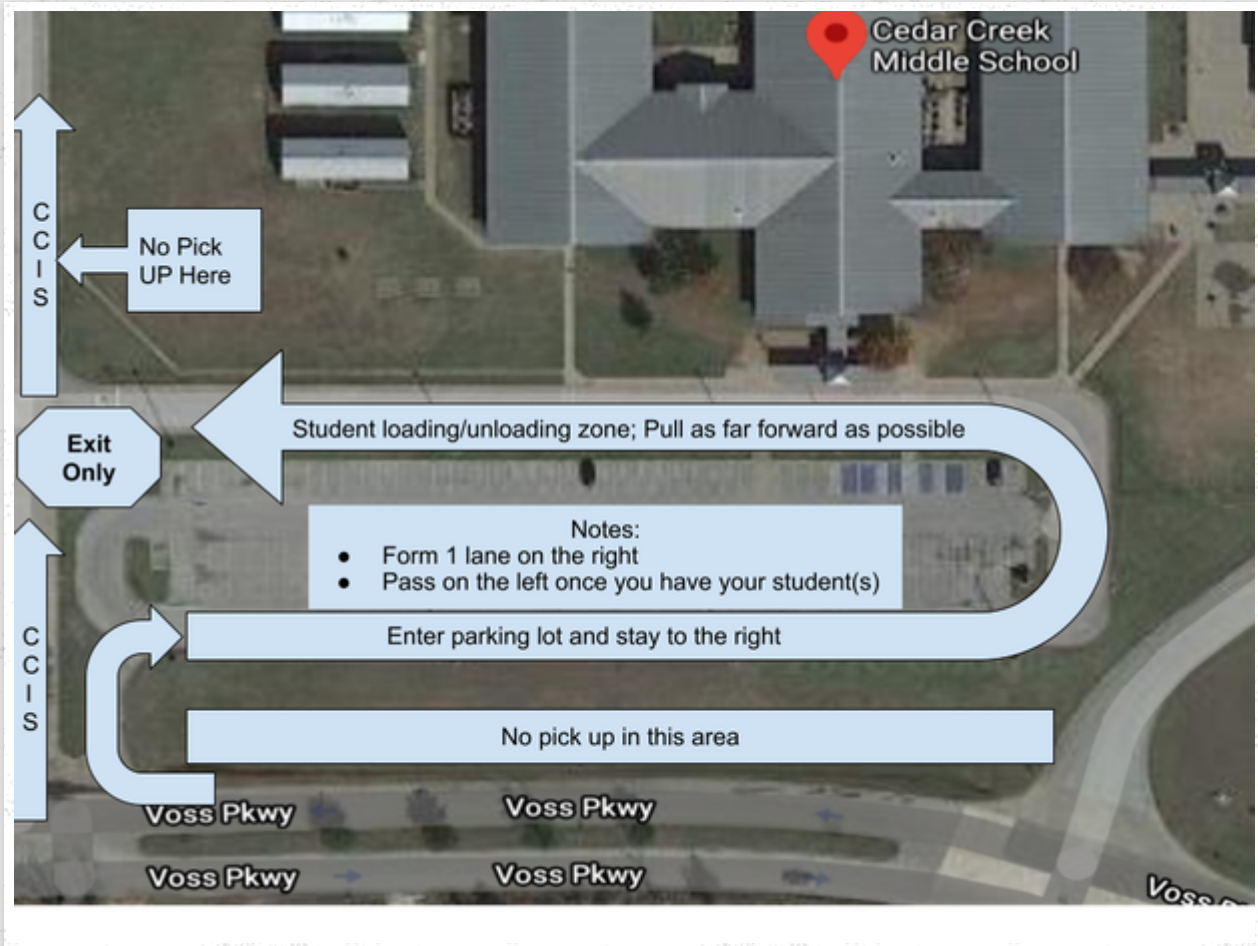

## 1:1 DEVICE OPPORTUNITY

We will be sending home paper copies of the BISD request for technology form with student on Thursday Jan. 6th. Students and families that are interested in having a device checked out

to their student from school and home use should return them to campus ASAP.

## TRAFFIC PATTERN CLARIFICATION

To help the flow of traffic out of the CCMS parking lot and at Voss Parkway please be aware that vehicles may turn left from both lanes at both stop signs regulating those intersections.

## QUARANTINE INSTRUCTIONAL OPTIONS UPDATES

Bastrop ISD has decided to no longer offer remote conferencing. This decision comes from analyzing enrollment numbers in remote conferencing since its inception and looking at COVID rates dropping across campuses.

Effective Wednesday, November 3rd, Bastrop ISD will stop taking entries onto the remote conferencing form. Students who are enrolled in remote conferencing can finish up the week but all services will end on Friday, November 5.

Moving forward, students who test positive will have the option to pick up work from the campus if/as needed or make up work upon their return from quarantine. If you opt to request

work from teachers, please be aware that we are able to prep only a few days at a time and may require multiple pick ups.
