

The Counselor's Corner At Bluebonnet Elementary

September-October 2020!

Looking, listening and loving to LEARN!

The benefits of a counseling program for students are:

- *A comprehensive school counseling program through guidance curriculum, responsive services, individual planning and system support*
- *Supports development of student skills academically, socially & emotionally, personally and for higher education and career readiness*
- *Fosters advocacy for all students*

Social Emotional Skills for Learning Second Step

THEME: Skills for Learning

School-wide/Classroom Expectations:

Welcoming, successful listening, focusing your attention, self-talk, following directions and asking for what you need or want.

Please contact me or ask your child's teacher if you'd like more suggestions about supporting skills for learning at home.
