Bastrop ISD 2021 – 2022 Annual Report

Section 3

2021 – 2022 District Accreditation Status

DATE:	January 20, 2022
SUBJECT:	2021-2022 Assignment of Accreditation Statuses
CATEGORY:	Accreditation
NEXT STEPS:	Share with Appropriate Staff

The assignment of district and charter school accreditation statuses is authorized by Texas Education Code (TEC), Chapter 39, Public School System Accountability, and 19 Texas Administrative Code (TAC), Chapter 97, Planning and Accountability, Subchapter EE, Accreditation Status, Standards, and Sanctions. The rules define the accreditation statuses of Accredited, Accredited-Warned, Accredited-Probation, and Not Accredited-Revoked and describe how accreditation statuses are determined and assigned. These rules may be viewed at the [Texas Administrative Code](https://tea.texas.gov/sites/default/files/ch097ee.pdf) link available at <https://tea.texas.gov/sites/default/files/ch097ee.pdf>, and additional information regarding the assignment of accreditation statuses to districts and charter schools can be found on the *Accreditation Status* homepage of the Texas Education Agency (TEA or agency) website at <http://tea.texas.gov/accredstatus/>.

Recognizing the ongoing impact of COVID-19 and the unique challenges schools faced during the past school year, the agency did not issue A–F accountability ratings for the 2020–2021 school year. Pursuant to 19 TAC §97.1055(a)(13) when a rating of *Not Rated* or similar rating is issued to a school district, the commissioner of education (Commissioner) may withhold the assignment of an accreditation status. The Commissioner has decided not to assign accreditation statuses until the 2022–2023 school year under the authority of 19 TAC §97.1055. For purposes of determining multiple years of academically unacceptable or insufficient performance, the academic accountability ratings issued for the 2018–2019 school year and the 2021–2022 school year are consecutive. 19 TAC §97.1055(a)(10). In addition, the accreditation statuses issued for the 2019–2020 school year and for the 2022–2023 school year are consecutive, per 19 TAC §97.1055(a)(12).

Districts, including charter schools, that would have been assigned a status of Accredited-Warned, Accredited-Probation, or Not Accredited-Revoked for the 2021–2022 school year due to the ratings assigned to the district in the state’s financial accountability system will receive separate correspondence from the TEA detailing required next steps.

We appreciate the ongoing support of districts during the COVID-19 public health crisis. If you have questions, please contact the Division of Accreditation and Enforcement at (512) 463-5899 or via e-mail at accred@tea.texas.gov.

Sincerely,

Jeff Cottrill
Deputy Commissioner of Governance & Accountability

Bastrop ISD 2021 – 2022 Annual Report

Section 6

2019 – 2020 High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education in FY 2021

Report of 2019-2020 High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education in FY 2021

Texas statute requires every school district to include, with their performance report, information received under Texas Education Code §51.403(e). This information, provided to districts from the Texas Higher Education Coordinating Board (THECB), reports on student performance in postsecondary institutions during the first year enrolled after graduation from high school.

Student performance is measured by the Grade Point Average (GPA) earned by 2019-2020 high school graduates who attended public four-year and two-year higher education in FY 2021. The data is presented alphabetically for each county, school district and high school. The bookmarks can be used to select the first letter of a county. Then the user can scroll down to the desired county, school district and high school.

For each student, the grade points and college-level semester credit hours earned by a student in fall 2020, spring 2021, and summer 2021 are added together and averaged to determine the GPA. These GPAs are accumulated in a range of five categories from < 2.0 to > 3.5. If a GPA could not be calculated for some reason, that student is placed in the "Unknown" column. GPA data is only available for students attending public higher education institutions in Texas. If a high school has fewer than five students attending four-year or two-year public higher education institutions, the number of students is shown but no GPA breakout is given. If a student attended both a four-year and a two-year institution in FY 2021, the student's GPA is shown in the type of institution where the most semester credit hours were earned.

The number of students located at Texas independent institutions is presented. Also shown are "not trackable" graduates, those with non-standard ID numbers that cannot be used to match student identifiers at Texas higher education institutions. "Not found" graduates have standard ID numbers but were not located in FY 2021 at Texas higher education institutions. They might have enrolled in higher education outside of Texas.

No data is given for high schools with 25 or fewer graduates.

Because the statute calls for data on the first year enrolled after graduation, the level of the institution attended by students in this report may not match that given in THECB's high school to college report at <http://www.txhighereddata.org/Interactive/HSCollLink>. That report shows where students attended in the fall semester after their high school graduation year. This report attributes students to the level of institution where they earned the most semester credit hours during the whole academic year, not just the fall semester.

Please note: In May 2012 the 2006-2007, 2007-2008, and 2008-2009 versions of the *Report of High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education* were updated to reflect a minor correction in how the GPA data are distributed across ranges.

Texas High School Graduates from FY2020

"Not found" graduates have standard ID numbers that were not found in the specified year at Texas higher education institutions.

"Not trackable" graduates have non-standard ID numbers that will not find a match at Texas higher education institutions.

Includes high schools with more than 25 graduates. If enrollment in public higher education less than 5, the GPA data is omitted.
