

3rd Grade Newsletter

Ms. Townsend and Mr. Deragowski

Progress Reports will be posted online next week.

Please call Cindy Paez in the office (512) 772-7680 if you need help accessing your Family Access account on the Bastrop ISD website.

Keep in mind that if your child misses any part of school, they are missing learning and assignments. Much of our work is class and group work, and sometimes it is difficult to make up because an absence means the learning part of that skill is being missed. All graded work remains a zero until it is turned in. If you have any questions, please feel to ask us. Thank you!

Week 5

Sept. 10-14

Important Dates:

Thurs. 9/13 - Picture day
Wed. 9/26 - Open House
(Parent Night) 5-6:30pm

- Healthy snacks are allowed to be eaten in class in the mornings.

Ms. Anita Townsend (atownsend@bisdtx.org)

Reading/Writing/Social Studies

Mr. Nathaniel Deragowski (nderagowski@bisdtx.org) Math/Science

Bluebonnet Elementary School 512-772-7680

Word Study

Spelling words and target vocabulary will begin next week. I will add these words to the weekly newsletter. Students will have weekly word work (in addition to the reading homework). This work will be minimal, and will also help tremendously with sentence practice.
~ Ms. Townsend
