3. Teacher Issues

I have several students that seem to keep flipping back and forth between onsite and online. One even told me it was because he forgets to get up in time. It makes things more confusing especially when I have ~18 students. as I know I have to match the attendance coding to the students setup in skyward (RA or not).

4. Campus Issues

What is CRCA bell schedule for ½ days? What about CCHS shuttle riders? And will students have lunch? Shawn is sending this all of you. The dismissal bell rings at 11:55. All students will be dismissed at the same time. Lunch is 'grab and go' beginning at 11:55.

Will the district be replacing our bottles of disinfectant or do we need to supply our own? April has ordered more. It is here. Come down to the office if you need some.

3. Teacher Issues

Junior teachers are meeting virtually on Tuesday, 9/8, to discuss ideas for successfully doing both onsite/online teaching. Anyone else want to join?

- Have any of you looked at NearPod?
 - We are using nearpod for Biology classes

4. Campus Issues

Friday attendance-since student numbers are higher and we change classes more often and Fridays tend to be enrichment/tutorial/remedial days is it ok to encourage students 9th-12th to stay home unless they need reliable internet/meals/help from a teacher? **Conrardy's answer - absolutely not! Shawn, Josh and I are working to encourage the seniors to stay home. Our 9-11 graders need to be on campus, on Fridays.**

We will update the link for ONSITE students Friday before leaving for the weekend.

3. Teacher Issues

From Conrardy-Teachers, how do you feel about students entering your classroom prior to the 8:40 bell? No food or drink would be allowed. Please discuss.

**Some students are academically behind and with a pass, those students could come to classrooms.*

**Teachers are participating in PLC in the morning, and it is difficult to talk about students, with students in the room.*

**Some ACC teachers have office hours at those times.*

Anti-racist Book Club--when do we want to start and how often and what time/day do we want to meet? I (Deirdre) will send out a survey/poll once we get a few suggested times.

**We will start around the second week in October.*

4. Campus Issues

We need one person from each of the core areas to volunteer as a CIP team member (campus improvement plan).

**English - Mr. Laskowski*

**Math - Mr. Ford*

**History - Dr. Doughty*

**Science - Dr. Sutcliffe*

Please update the club schedule below if needed.

Student mask violations; eating/drinking in main building Please report mask violations in real time to Conrardy and Adams. We will take care of them. The lunching in the library has ended. I spoke with Mr. Gordon this morning.

3. Teacher Issues

- a. Grades are due. April sent an email out regarding the grading window. Please adhere to the timeline.
- b. Speaking of grades...please remember to leave room for students to redeem themselves. It is virtually impossible to recover grades below 50.
- c. We have purchased NearPod. Information regarding training and your accounts will be coming next week.
- d. When are we going to start discussing ***Biased?*** Martin--we discussed this a few weeks ago. Teachers are still overwhelmed with adjusting to online/in-person teaching/planning and attendance--so we decided to revisit the question in mid-October 10-4

4. Campus Issues
