

Colorado River Collegiate Academy Parent Partnership Contract

1. I understand the 4 year plan is designed to afford my student the opportunity to graduate from high school with an endorsement and from ACC with an associate's degree.
2. I will support my student in attending summer bridge program June 8 – 11 and 15 – 18, 2020. I understand this summer bridge program is mandatory.
3. I understand the 90% rule for attendance and am committed to making sure that my student attends their classes at a rate of 95% or higher.
4. I understand that my student will take all of their classes in the academic core at the Pre-Advanced Placement level during their 9th and 10th grade years. This will require more homework than regular classes.
5. I am committed to providing my student a quiet place and time at home to complete work outside the classroom. This is a time free from other family or work commitments.
6. I understand that my student must pass all of their EOC exams at the level 2 satisfactory mark or higher and they must all earn all 7 of their credits during their 9th grade year.
7. I understand that my student must pass the reading and writing portions of the TSI Assessment before being allowed to take ACC college courses in the spring semester of 2021.
8. I understand that if my student is placed at the DAEP (Gateway) for any reason after they are enrolled at CRCA, they will severely compromise their ability to graduate with an associate's degree.
9. I understand the implications of the non – completion and failing of college courses and how dropping failing classes at ACC will affect my student's ability to receive financial aid after high school and into the future.
