COLORADO RIVER COLLEGIATE ACADEMY

WHO WE ARE

Colorado River Collegiate Academy is an early college high school. This means that you have the opportunity to graduate with an associates degree along with your high school diploma. Due to the small class sizes, there is a lot of collaboration with others and strong bonds are formed between classmates. Along with the bonds made between you and your peers, bonds will also be made between you and your teachers. We may not offer the typical high school experience but the experience here will stay with you for the rest of your life.

At CRCA, we have a block schedule where Mondays and Wednesdays are A days, Tuesdays and Thursdays are B days, and Fridays are C days.

ARE THERE EXTRACURRICULARS?

Yes there are extracurricular activities at CRCA. We have Student Council, Speak Up! Speak Out!, E Sports, Speech and Debate, NHS, and many more.

IS IT DIFFICULT?

Yes, but it is worth it in the long run.
