With the Texas 84th Legislature now adjourned, below is information about the budget and about the TRS retiree health insurance premium shortfall.

State Budget

(Summary by TASB Governmental Relations)

Both the House and Senate on Friday passed the negotiated conference committee report for House Bill 1 (Otto/Nelson) – the state budget for the 2016-17 biennium. Negotiators included \$1.5 billion for the Foundation School Program (FSP) in addition to the more than \$2 billion set aside for public school enrollment growth. The budget includes more than \$800 million to increase the guaranteed yield from \$61.86 to \$74.28 for 2016 and to \$77.53 in 2017. The FSP bump includes:

\$1.2 billion for the basic allotment per ADA (\$5,140 both years);

\$200 million for fractional funding (contingent upon the enactment of HB 7, which already passed the Legislature);

\$55.5 million for the Instructional Facilities Allotment (FY 2017); and

\$47.5 million for the New Instructional Facilities Allotment.

Negotiators included \$2.6 billion to replace the 25 percent reduction in the franchise tax that legislators passed and \$1.2 billion for the \$10,000 increase in the state homestead exemption. Other budget items outside of FSP include:

\$1.04 billion for the Instructional Materials Allotment (\$202 million increase)

\$118 million in new dollars for HB 4 prekindergarten programs

\$40.6 million in new dollars for newly created math and reading academies

\$31 million for Communities in Schools (level-funded)

\$31.7 million for Student Success Initiative (\$28.8 million decrease)

\$30 million supplemental funding for prekindergarten (level-funded)

\$25 million for ESCs (level-funded)

\$16.3 million for Advanced Placement Initiative (level-funded)

\$12 million for Teach for America (level-funded)

\$8 million for Virtual Schools (level-funded)

\$6 million for Early College High School (level-funded)

\$3 million for T-STEM (\$3 million decrease)

Legislators left about \$6.4 billion unspent in General Revenue and \$2.9 billion below the spending limit they adopted. The budget bill now goes to the comptroller for certification and then off to the governor, who has line-item veto authority over the budget.

TRS-Care Retiree Health Insurance Program Shortfall

House Bill 2, the supplemental appropriations bill which includes funding for the TRS-Care retiree health insurance program shortfall, has been sent to Governor Greg Abbott. HB 2 includes \$768 million to be applied towards TRS-Care. Once signed by the Governor, TRS-Care premiums will remain stable for the coming biennium. Long-term solutions for TRS-Care will need to be discussed during the interim before the 85th Legislative Session begins in 2017.
