

Disney Themed Summer 2022

Summer 2022 will be a Disney Summer. Nothing says fun like Disney! Disney teaches children important life lessons like the importance of family and friends, being loving to themselves and others and the knowledge to believe anything is possible with perseverance and hard work.

Each week we will be celebrating the world of make believe and discovering the true heroes who are with us everyday. Through crafts, cooking, science, and field trips the children will explore the wonderful world of Disney.
