The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice. (Texas Government Code, Section 551.045)

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Employment

Equal Employment Opportunity

Policies [DAA](#), [DIA](#)

In its efforts to promote nondiscrimination and as required by law, Bastrop ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: Dr. Janel Morris, Director of Student Services, 906 Farm Street, jmorris@bisdtx.org, 512-772-7100. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: Stephanie Davis, Benefits and Wellness Coordinator, 906 Farm Street, stdavis@bisdx.org, 512-772-7100.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy [DC](#)

Announcements of job vacancies by position and location are posted on a regular basis to the district's website.

Employment After Retirement

Policy [DC](#)

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (<https://www.trs.texas.gov>).

Contract and Non Contract Employment

Policy [DC series](#)

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary or term contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed two school years per the flexibility outlined in the board approved District of Innovation Plan.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are not employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Temporary Workers. Temporary workers require fingerprinting and background checks prior to working with the district. All district staff who contract with temporary workers to perform extra duties, tutoring, auxiliary services, etc. must have the temporary worker complete a standard application with the school district. The temporary worker cannot begin work until they have completed the hiring processes through the Human Resources Department.

Guidelines for Paying District Employees for Additional Duties or Contracted Workers

If the person is currently an employee and will be performing duties outside of their district contract:

1. Supervisor will complete the online timesheet well in advance of the start of work.
2. Employees will submit hours through Employee Skyward using True Time.
3. Employees are required to clock in/out daily upon arrival/departure.
4. Timesheets must always reflect actual hours worked.
5. Timesheets must be submitted weekly for processing.

If the person is not currently an employee but will be working alone with students.

1. Purchase Orders are required to pay individuals through Accounts Payable if they are not an employee and will not work alone with students.
2. Submit completed [ICA](#) via Business & Operations [Google Form](#); a determination will be made on whether a background check is needed or if using Raptor will suffice.
 - a. Human Resources will review and request a background check as deemed necessary and ask the individual to complete the proper paperwork.
 - b. Since the person will be providing District Services, they will be paid through Accounts Payable as a vendor.
 - c. Potential Vendors will be sent an email with a link to register with Payment Works.
3. The ICA will be routed for remaining signatures via adobe sign. The Finance Department will return the approved ICA to the originating campus/department.
4. The following must be completed and approved before the individual can begin providing services to BISD:
 - a. Approved ICA with all required signatures
 - b. Background check cleared and HR paperwork completed in its entirety
 - c. Payment Works Invitation accepted and profile completed and approved by BISD Finance Dept

- d. Requisition entered into Skyward; include ICA as an attachment
- 5. Once the requisition has been converted to an approved BISD PO with the CFO's signature, the individual may start working and/or providing services.
 - a. Ensure proper receiving records exist on the Purchase Order
 - b. All invoices need to include the PO#, and need to be sent to Accounts Payable for payment via email, acctspayable@bisdtx.org.
 - c. Payment will be delayed if any of the required information is missing

Certification and Licenses

Policies [DBA](#), [DF](#)

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Employee Services Specialist in the Human Resources Department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy [DC](#)

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources Department if you have any questions regarding reverification of employment authorization.

Searches and Alcohol and Drug Testing

Policy [CQ](#), [DHE](#)

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Director of Human Resources.

Health Safety Training

Policies [DBA](#), [DMA](#)

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the

American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to Diana Greene by (same date as all PD trainings are due).

School nurses and employees with regular contact with students must complete a Texas Education Agency approved online training regarding seizure disorder awareness, recognition, and related first aid.

Reassignments and Transfers

Policy [DK](#)

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (LOCAL).

An employee with the required qualifications for a position may request a transfer to another campus or department by applying for a job posting on the district's TalentEd system. It is the employee's responsibility to inform their supervisor of their desire to apply and transfer to another campus or department within the district. Professional courtesy dictates that it is the responsibility of the interviewing principal to notify the home principal of their intent to interview and possibly hire an existing employee.

A teacher applying for a transfer to another campus before the school year begins must apply for the job opening by the deadline set by Human Resources. Requests for a transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found.

Workload and Work Schedules

Policies [DEAB](#), [DK](#), [DL](#)

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page 32 for additional information.

Breaks for Expression of Breast Milk

Policies [DEAB](#), [DG](#)

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact the Benefits & Wellness Coordinator at 512-772-7100.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact the Benefits and Wellness Coordinator at 512-772-7100 to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies [DK](#), [DBA](#)

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Department, 512-772-7100.

Outside Employment and Tutoring

Policy [DBD](#)

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy [DN series](#)

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies [BQA](#), [BQB](#)

At both the campus and district levels, Bastrop ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Superintendent Office.

Staff Development

Policy [DMA](#)

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Each year ALL staff members must complete compliance modules required by State/Federal laws and funding requirements. To facilitate completion of these requirements, the district has partnered with Region 10, so that the materials can be accessed at the employee's convenience. The employee is required to keep an electronic copy of each certificate of completion. Employees should complete the modules by August 31, 2024 or within 30 days of hire for those hired after the first day of school. It is the responsibility of the employee to ensure completion of these modules annually.

The District will notify personnel of staff development opportunities throughout the school year for instructional staff.

The Compliance Training modules include, but are not limited to:

- Anaphylaxis & Epi-Pen (Food Allergies)
- Blood Borne Pathogens
- Bullying: Student on Student Bullying and Harassment
- Child Abuse, Sexual Abuse & Maltreatment of Children
- Concussions for Coaches & Nurses (Coaches and Nurses only)
- Conflict Resolution
- FERPA (student records)
- Human Trafficking

Compensation and Benefits

Salaries, Wages, and Stipends

Policies [DEA](#), [DEAA](#), [DEAB](#)

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 32.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Human Resources Department for more information about their compensation. Employees should contact their Payroll Specialist in the Business & Finance Department regarding the district's pay schedules or their semi-monthly paychecks.

Paychecks

All employees are paid semi-monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

The schedule of pay dates for the 2024-2025 school year follows:

07/15/2024	10/15/2024	01/15/2025	04/15/2025
07/31/2024	10/31/2024	01/31/2025	04/30/2025
08/15/2024	11/15/2024	02/14/2025	05/15/2025

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into one designated account. It takes one payroll cycle to activate this service. Contact the Business & Finance Department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy [CFEA](#)

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable
- Other court ordered wage garnishments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and other organizations approved by the Board of Trustees. Salary deductions are automatically made for unauthorized or unpaid leave.

When an employee has exhausted all of their available paid leave and continues to be out on unpaid leave their pay will be reduced or completely stopped until they return to work. The unpaid leave days are taken according to the pay schedule. Pay reduction due to the use of unpaid leave will not be spread out across pay periods.

In extended leave situations when an employee has exhausted all of their available paid leave, their pay will only continue up to the amount they have earned. Once the earned pay amount has been reached, the employee's pay will be stopped until the employee returns to work. During this time the employee will be responsible for paying their benefit premiums, including the district contribution for health insurance, directly to Bastrop ISD. The Leave and Benefits Specialist will contact the employee for the required payments.

Overpayments. Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

Wage Deduction Authorization Agreement

I understand and agree that my employer, Bastrop Independent School District (the District), may deduct money from my pay from time to time for reasons that fall into the following categories:

1. My share of the premiums for supplemental benefits for which I have voluntarily enrolled such as: group medical, life insurance, dental plan, disability plan, or any other supplemental benefit product;
2. Contributions that I am required to pay into a retirement or pension plan (Teacher Retirement System);
3. Reimbursements to the District such as (as applicable): non-business use of the District's charge account or credit card; sales and occupancy taxes that were charged to the District in error; or other non-authorized or non-allowable expenditure of District funds;
4. Overpayment of wages for any reason, repayment to the District of such overpayments (the deduction for such a repayment will equal the entire amount of the overpayment, unless the District and I agree in writing to a series of smaller deductions in specified amounts);
5. The cost of repairing or replacing any District supplies, materials, equipment, money, District issued uniforms, or other property that I may damage (other than normal wear and tear), lose, fail to return, or take without appropriate authorization from the District during my employment (except in the case of misappropriation of money by me, I understand that no such deduction will take my pay below minimum wage, or, if I am a salaried exempt employee, reduce my salary below its predetermined amount);
6. Administrative fees in connection with court-ordered garnishments or legally-required wage attachments of my pay, limited in extent to the amount or amounts allowed under applicable laws;
7. The actual value of district-advanced leaves that I have taken in excess of what has been accrued or earned up to the separation date; and
8. Any other deductions that I have elected in writing and submitted to the payroll department.

By electronically signing this Employee Handbook, I agree that the District may deduct money from my pay under the above circumstances, or if any of the above situations occur.

Overtime Compensation

Policies [DEAB](#), [DEC](#)

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 AM on Sunday and ends at 11:59 PM on Saturday.

Employees are entitled to a 30-minute duty free lunch period every day. Employees are not permitted to work through a designated lunch period in order to earn comp time or makeup time missed from work.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at a time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- **Employees can accumulate up to 30 hours of comp time.**
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy [DEE](#)

Before any travel expenses are incurred by an employee, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must

submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage. Travel Procurement Cards are available to make hotel and airfare reservations.

More information about reimbursable expenses can be found in the Business & Finance Department Manual.

Health, Dental, and Life Insurance

Policy [CRD](#)

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g., marriage, divorce, birth). Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees in the Employee Benefits Guide that can be found on the district website under the benefits section. Employees should contact the Benefits and Wellness Coordinator at (512) 772-7100 for more information.

Supplemental Insurance Benefits

Policy [CRD](#)

At their own expense, employees may enroll in supplemental insurance programs for dental, vision, life, disability, accident, critical illness and hospital indemnity insurance. Employees can make changes to their insurance coverage during the designated open enrollment period. Premiums for these programs can be paid by payroll deduction. Employees should contact the Benefits and Wellness Coordinator at (512) 772-7100 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to

pay certain insurance premiums on a pretax basis (i.e., medical, dental, vision, FSA, HSA, cancer, accident and hospital indemnity insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy [CRE](#)

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from the Texas Association of School Boards, effective July 1, 2014.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's supervisor and the Benefits and Wellness Coordinator. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy [CRF](#)

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources Department.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months or more are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account

showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS and have contacted TRS to start the process should notify the BISD District Accountant at 512-772-7239 as soon as possible. Information on how to apply for TRS retirement benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov).

Universal Availability of 403(b) Tax Sheltered TSA Plan

It's never too early or too late to start investing towards your retirement!
Bastrop Independent School District offers employees the opportunity to participate in a "before tax" retirement savings plan. Our plan offers "Universal Availability" – which means any employee of Bastrop ISD can participate in our 403(b) Plan.

A 403(b) plan, also known as a tax-sheltered annuity (TSA) plan, is a retirement plan for

employees of public schools. School districts must provide payroll deductions for any approved 403(b) plan that an employee participates in through TCG Administrators. Bastrop ISD does not endorse any one company.

403(b) Annuity Program

In accordance with BISD Policy GKDA (Legal), the District does not endorse the solicitation of any tax deferred or other benefit plan on any campus/department.

The Bastrop Independent School District has chosen to have the 403(b) Plan administered through the Region 10 Retirement Asset Management Services (RAMS)* program.

The Region 10 RAMS 403(b) Administration Services are offered to public school districts and other education agencies in Texas.

BISD's Administrator is TCG Administrators. TCG is the third-party administrator contracted through Region 10 to provide this service. Contact TCG Resources Partners at 1-800-943-9179 or www.region10rams.org/contact

Please review the Bastrop ISD website Benefits page or contact the TCG Administrators, 1-800-943-9179, for questions regarding the enrollment of a 403(b) plan through Bastrop ISD.

Leaves and Absences

Policies [DEC](#), [DECA](#), [DECB](#)

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should submit a leave request in TalentEd. A Benefits team member will reach out with information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Leave is available for the employee's use at the beginning of the work year. If an employee leaves the district prior to the end of the school/work year, the cost of any unearned leave days taken shall be deducted from the employee's final check.

Paid leave must be used in hourly and/or daily increments, respectively. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Compensatory Leave (for hourly employees)
- Non work/Vacation hours/days (for 12 month employees)
- Local sick leave

- State sick leave accumulated before the 1995-1996 school year
- State personal leave

Employees must follow district, department, or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for three consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

In extended leave situations when an employee has exhausted all of their available paid leave, their pay will only continue up to the amount they have earned. Once the earned pay amount has been reached, the employee's pay will be stopped until the employee returns to work. During this time the employee will be responsible for paying their benefit premiums, including the district contribution for health insurance, directly to Bastrop ISD. The Leave and Benefits Specialist will contact the employee for the required payments.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

Medical Certification. Any employee, who is absent more than three days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical

Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor three days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department

operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Discretionary use of state personal leave shall not exceed more than three consecutive work days. Any extenuating circumstances must be submitted and approved by the Superintendent or designee.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. Personal leave will be earned at a rate of one-half day for each 18 workdays per school year not to exceed the five days respectively. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Upon termination of employment with the District, the unused state personal leave balance shall remain in the employee's name until a service record is requested from another school district or sent to another school district upon the employee's request.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Sick Leave

In accordance with administrative regulations, all full-time employees shall earn five work days of paid local sick leave per school year. Sick leave will be earned at a rate of one-half day for each 18 workdays per school year not to exceed the five days respectively.

All part-time employees, whose positions require at least ten months of service shall earn up to five equivalent workdays of local sick leave per school year on a prorated basis.

Local sick leave shall accumulate to a maximum of 60 leave days and shall be taken with no loss of pay. Local leave shall be used under the terms and conditions applicable to state sick leave accumulated prior to the 1995-96 school year, except as otherwise provided by this policy. The Superintendent or designee shall have the authority to make exceptions to provisions governing the use of local sick leave.

Employees may use local leave for the following reasons:

- Personal illness
- Immediate family illness
- Extended sick leave
- Birth of child
- Bonding time with a new child
- Adoption
- Foster placement of a child
- Death in the immediate family
- Care for an employee's spouse, son or daughter, or elderly parent or family member with a serious medical condition and/or under the direct and immediate care of the employee

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, local sick leave will be prorated based on the actual time employed. Local sick leave will be earned at a rate of one-half day for each 18 workdays per school year not to exceed the five days respectively. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of local sick leave the employee used beyond his or her pro rata entitlement for the school year.

Upon termination of employment with the District, the unused local sick leave balance shall be reduced to zero. An employee shall not be entitled to be reimbursed for unused local sick leave upon resignation, nonrenewal, or termination of employment.

Non-Work Days

The purpose of Non-Work Days is to compensate designated 12 month employees for days worked that are not included in their contract.

Non-Work Days are earned at the beginning and end of each calendar year depending on the employee type.

If an employee begins or ends work mid-year, Non-Work Days earned will be prorated based on the beginning and ending dates of employment. An employee who is on leave without pay will not earn any Non-Work Days for that period.

An employee wishing to take Non-Work Days must submit a request to his or her principal or supervisor three days in advance of the anticipated absence, when applicable. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Non-Work Days are allocated on July 1 of every year for the previous year.

Non-Work Days expire on July 30th of the year after they are allocated.

Employees will not receive payment for any accrued, unused Non-Work Days.

Vacation

Policy [DED](#) (Effective 1/24/2024)

The purpose of vacation is to allow designated 12 month employees the flexibility to accrue paid time off and request to use it for any purpose the employee wishes. This includes time off for rest and relaxation, vacation, holidays that are not observed by the employer, and time away from work for personal or other matters. Vacation days are a benefit provided to designated employee groups.

All full time regular 260 Day employees are eligible for 10 vacation days per year. All full time regular 240 Day employees are eligible for 5 vacation days per year.

All eligible employees begin accruing vacation from the first day of employment. An employee must be employed during the semester to receive earned vacation days.

If an employee begins work mid-year vacation days will be prorated based on the number of days worked. An employee who is on leave without pay will not earn any vacation for that period.

Vacation days will be allocated twice per year, half on December 1 and half on June 1.

An employee must submit a request to their supervisor for approval, in advance when applicable. Your supervisor will notify you if your request is approved or denied.

Employees may accrue vacation time up to 20 days/160 hours. Any days/hours in excess of 20/160 will be forfeited July 30th of the year following the year allocated.

Employees will not receive payment for any accrued, unused vacation days.

Holidays

The following paid holidays are granted to all full time regular 260-day employees: New Year's Day, Martin Luther King Jr. Day, Good Friday, Memorial Day, July 4th, Labor Day, Juneteenth, Thanksgiving Day and the day after, Christmas Eve and Christmas Day, and two days during Spring Break.

Holiday pay will be paid based on the number of hours per day equivalent to the employee's usual assignment.

Nonexempt employees who are required to work on a designated holiday shall be paid at the rate of one-and-one-half times their regular rate of pay. Overtime for time worked over 40 hours in a week shall be calculated and paid according to law.

In order to receive pay for a holiday, an employee must be in a paid status for the employee's regular schedule the workday preceding and following the holiday.

Employees on unpaid leave of absence when the holiday occurs will not be entitled to holiday pay

Sick Leave Bank (or Pool)

The sick leave bank is a benefit to assist employees in dealing with prolonged, severe, or life-threatening conditions that force them to exhaust paid leave and would otherwise result in a loss of income. The sick leave bank is a collective deposit of Local Sick Leave days received from enrolling employees and subsequent contributions from members. All days deposited in the bank become the property of the sick leave bank and are no longer available for use by the individual employee as accrued leave.

If the sick leave bank days drop to 30 available days or less, the District will solicit employees to voluntarily contribute leave days. Any one employee may donate no more than one day per solicitation. If the sick leave bank reaches a balance of zero available days, the sick leave bank will close until the next open enrollment period. The Benefits & Wellness Coordinator will administer the sick leave bank and is responsible for receiving and granting requests for sick leave bank days. Four district employees, the Superintendent, The Chief Financial Officer, the Benefits & Wellness Coordinator and the District Head Nurse, will serve on the sick leave bank committee to evaluate all requests of days from the sick leave bank. They will meet on an as needed basis to review requests for days.

Eligibility and Enrollment. Participation in the sick leave bank is available on a voluntary basis for all employees who work at least 20 hours per week, receive leave, and are eligible for BISD insurance benefits. Employees may join during the open enrollment period at the beginning of each school year. Only employees who contribute and join are eligible to use the sick leave bank.

An employee may request days from the sick leave bank for the following family members:

- Employee
- Parent of employee
- Spouse of employee
- Son, stepson, daughter, or stepdaughter of employee
- Child for whom the employee is legal guardian.

Membership requires a contribution of one local leave day, per year. An employee's "day" is equivalent to the number of hours in that employee's typical day. Any leave days contributed remain in the bank and will not return to the employee, even upon cancellation of the membership.

Eligible employees wishing to join the sick leave bank must complete the online enrollment option available at the beginning of each school year during open enrollment. The District will deduct a local leave day from the employee's local leave balance no later than October 31st of each year. Employees who do not join the sick leave bank during open enrollment period are ineligible to join until the next school year's open enrollment period.

Qualifying to withdraw leave. For the purposes of the sick leave bank, a catastrophic injury or illness is defined as a condition or combination of conditions that meets the following criteria:

- Life-threatening; and/or
- Requires 5 or more days of hospitalization or major medical treatment such as surgery, chemotherapy, radiation and the like; and
- Has totally incapacitated the individual from work; and
- Requires the services of an M.D. or D.O. throughout the period of the catastrophic leave, as certified by a medical professional.
- The condition of pregnancy shall not be covered by sick leave bank. However, medical complications that arise from childbirth shall be considered.
- Routine illnesses and general surgeries do not qualify as catastrophic, in general.

Requesting leave. A member who requests days from the sick leave bank must submit to the sick leave bank administrator prior to an extended medical leave or within 30 days after returning to duty. The employee may access the forms for requesting days by submitting the Sick Leave Bank request form and physician certification form to the Benefits & Wellness Coordinator.

Benefits from the sick leave bank will be available only after the member has exhausted all accumulated state and local leave days and any extended compensatory time.

If a sick leave bank member does not use all of the days granted from the sick leave bank, the unused days will be returned to the District. In no case will sick leave bank benefits allow an employee to receive more than his/her expected salary. An employee is ineligible for sick leave bank membership if they have received sick leave bank benefits five of the last eight years.

Each qualifying employee may receive a lifetime maximum of 50 extended leave days. Based on years of service with the District as of the first date of leave, the following schedule shows the number of extended leave days available to an employee:

Years of Service with the District	Maximum Days per School Year
1-5	10 days
6-10	15 days
11-15	20 days
16-20	25 days
21 or more	30 days

Appeal procedure. An employee may appeal the sick leave bank committee's decision within 10 working days of the notification of the decision. The employee must supply new, additional medical records for the appeal.

An employee will lose the right to use the benefits of the sick leave bank by:

- Termination or suspension of employment in the District,
- Abuse or misuse of the sick leave bank privileges , and/or
- Cancellation of membership by the employee during open enrollment.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, [Your Employee Rights Under the Family and Medical Leave Act](#). Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor’s Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,

- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military service member.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness **may take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, **to request FMLA leave you must:**

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do not have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You **must also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer may request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer **must:**

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer cannot interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer must confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer must notify you in writing:**

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call **1-866-487-9243** or visit **dol.gov/fmla** to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured forward from the date an individual employee's first FML begins.

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district

shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA(LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact Benefits and Wellness Coordinator for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Benefits and Wellness Coordinator should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the Benefits and Wellness Coordinator.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal

leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

State personal and sick leave and/or local sick leave is available for use when there has been a death in the immediate family subject to the approval of the district. Hourly employees may use comp time for bereavement leave.

Jury Duty

Policies [DEC](#), [DG](#)

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court should be submitted to the payroll department.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or

compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact the Human Resources Department. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits and Wellness Coordinator for details on eligibility, requirements, and limitations.

Leave for Peace Officers

Policy [DEC](#) (Effective 9/1/2021)

Bastrop ISD is required to provide mental health leave to peace officers employed in the district who experience a traumatic event in the scope of employment.

Traumatic event. A traumatic event is an incident or event that causes physical, emotional, or psychological harm. The person experiencing the distressing event may feel physically threatened or extremely frightened as a result. Traumatic events are characterized by a sense of horror, helplessness, serious injury, or the threat of serious injury or death. A traumatic event does not include an employee's reaction to legitimate personnel action, including a transfer, promotion, demotion, disciplinary action (e.g., verbal or written warning), or termination.

Number of days. A peace officer who experiences a traumatic event in the scope of employment is entitled to a maximum 5 days of paid leave per event.

Request for days. A peace officer must submit a written request for mental health leave to the Benefits and Wellness Coordinator. A request must be within 72 hours of the traumatic event. The Benefits and Wellness Coordinator will notify the employee in writing regarding approval or denial of the request.

Medical certification. Medical certification by a health care provider as defined by the Family and Medical Leave Act must be submitted with a request for peace officer mental health leave.

All requests, including the circumstances that lead to the request will be treated as confidential information. Supervisors will be informed when leave is approved, but other details will not be shared. All requests for leave will be coordinated with workers' compensation to ensure a first report of injury is filed, as applicable.

When an officer requests leave, the Benefits and Wellness Coordinator will provide information on the Employee Assistance Program and any other mental health services or resources the officer may use.

Quarantine Leave for Peace Officers **Policy [DEC](#) (Effective 9/1/2021)**

A peace officer who is ordered by the Bastrop County Health Authority or supervisor to quarantine or isolate due to possible or known exposure to a communicable disease while on duty is entitled to paid leave for the period specified in the order. A supervisor for purposes of authorizing quarantine leave is limited to the Chief of Police or Superintendent.

Certification. An employee requesting leave is required to provide certification from the Bastrop County Health Authority to validate the need for leave. If leave is ordered by the Chief of Police or Superintendent, notification must be submitted to the Benefits and Leave Manager. Certification from a health care provider may be required to support a medical need for leave.

Line of Duty Leave for Illness or Injury **Policy [DEC](#) (Effective 10/20/2023)**

A full-time district employed licensed peace officer who regularly serves in a law enforcement capacity in a district police department is entitled to a paid leave of absence (LOA) for an illness or injury related to the person's line of duty. If necessary, the leave shall continue for at least one year.

If unable to return to work at the end of the paid leave, a peace officer may use accumulated sick, vacation and other accrued leave before being placed on unpaid temporary leave. At the end of the temporary leave, the peace officer will be reinstated at the same rank and with the same seniority the person had before going on temporary leave.

Leave Balances after Resignation

If an employee resigns from BISD, any unused state leave remains on the employee's service record indefinitely and, if requested by the employee, will transfer with the employee to other public school districts in Texas. Any unused BISD local sick leave will not transfer to other public school districts, but will remain on the books in BISD for a period of one year. If the employee returns to work in BISD within one year, the local sick leave will be restored. Otherwise, it will be lost. Employees who are retiring can donate remaining earned local sick leave to the Sick Leave Bank. Donation of leave from one employee to another is not permitted.

Communications

Throughout the school year, the BISD Communications publishes newsletters, brochures, flyers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

Community Relations

After School & Summer Enrichment Opportunities

BISD offers two primary after school opportunities for students enrolled in BISD.

- **Beyond the Bell:** BTB provides a safe place after school for students in grades 9-12 to complete homework, receive tutoring, and get help with TSI and other state test preparation. BTB is provided at all BISD high school campuses at no cost for parents or students.
- **STARS:** Our STARS program is licensed by the Texas Department of Family and Protective Services and is staffed year-round by Bastrop ISD employees. It is available at all eight elementary campuses during the school year and at select locations in the summer. STARS staff provide homework assistance, recreation, fitness, as well as engaging enrichment activities for children aged 4-13. High impact tutoring is offered for students in need. STARS is a fee-based program. Summer programming is also available.

Please contact the Community Relations office at 512-772-7180 for more information.

Child Development Centers (CDC)

BISD operates three child development centers, all of which are licensed through the Texas Department of Health & Human Services. Our child care centers are award-winning, four-star rated Texas Rising Star facilities. The CDC program is available to the children and grandchildren of Bastrop ISD employees, as well as to the children of teen parents. Depending upon space, program also may be available to the District's partners in transportation, child nutrition, or to members of the public.

CDC locations include Bluebonnet Elementary, Cedar Creek Elementary, and Emile Elementary. Contact the Community Relations office at 512-772-7180 for more information about cost, enrollment, or other programming questions.

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees, all of whom contribute to the success of Bastrop ISD in numerous ways. Employees are recognized at board meetings, in district publications distributed in print and digital arenas, on social media, and through special events and activities.

- **Teacher of the Year:** The district participates in the recognition program sponsored by the Texas Association of School Administrators to select one elementary and one secondary teacher of the year. The teachers chosen by the district go on to participate in the regional, state and/or national teacher of the year competition.
- **Paraprofessional of the Year:** In conjunction with the Teacher of the Year Program, the district conducts a Paraprofessional of the Year Program to recognize a support person whose contribution to district goals and objectives is significant.
- **Rock Star Rookie of the Year:** The Rock Star Rookie award seeks to recognize exceptional educators who are in their first three years of teaching. The District accepts nominations each year to honor two outstanding teachers (one elementary and one secondary) with three or fewer years of experience.
- **Service Pins, Plaques and Other Awards:** The District and all campuses acknowledge employees who have reached milestones with BISD at 5-year increments (e.g., 5 year pin, 10 year pin, etc.). The purpose of the service awards is to honor employee loyalty and long-term contribution to BISD.
- **Retirement:** The District hosts an annual Retirement Reception at the end of each school year to honor those employees who have retired in that school year. Retirees are awarded a rocking chair with a custom brass nameplate honoring their years of service to BISD.

Several times each school year, the district accepts nominations from staff for the BISD Hero Award and the BISD Strong awards. These are available for all employees, as well as students.

Complaints and Grievances

Policy [DGBA](#)

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

General Provisions

All complaints arising out of an event or a series of related events must be addressed in one grievance. Employees cannot bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Employees are entitled to representation at every level of the complaint process. All references to days are working days, meaning those days that District administrative offices are scheduled to be open. In calculating timelines under this policy, the day a document is filed is day zero, and all deadlines shall be determined by counting the following workday as "day one."

Neither the District nor any District employee may unlawfully retaliate against any employee for exercising his or her right to bring a complaint under this policy. Time is of the essence in resolving employee complaints and all timelines shall be strictly enforced. Extensions shall be permitted only by written agreement of the administration and the employee.

You can find the Bastrop ISD Board Policy at this [link](#). You can also reach out to the Human Resources Department for an emailed copy of this policy.

Discrimination, Harassment, and Retaliation

Policies [DH](#), [DIA](#)

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy, DIA (LOCAL) that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be found on-line by clicking this link [Bastrop ISD Board Policy DIA\(LOCAL\)](#).

Harassment of Students

Policies [DE](#), [DH](#), [DHB](#), [FFG](#), [FFH](#), [FFI](#)

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, 63 and *Bullying*, 98, for additional information. The district's policies DHB (LEGAL) and FFH (LOCAL) and FFH (REGULATION) that include definitions and procedures for reporting and investigating harassment of students can be found online at [Bastrop ISD Board Policy](#).

The definition of solicitation of a romantic relationship in [DHB \(LEGAL\)](#) is included below:

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence of a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
 - a. The nature of the communications;
 - b. The timing of the communications;
 - c. The extent of the communications;
 - d. Whether the communications were made openly or secretly;
 - e. The extent that the educator attempts to conceal the communications;
 - f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
 - g. Any other evidence tending to show the context of the communications between educator and student.

2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.
3. Making sexually demeaning comments to a student.
4. Making comments about a student's potential sexual performance.
5. Requesting details of a student's sexual history.
6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.
7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.
8. Inappropriate hugging, kissing, or excessive touching.
9. Providing the student with drugs or alcohol.
10. Violating written directives from school administrators regarding the educator's behavior toward a student.
11. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.
12. Any other acts tending to show that the educator solicited a romantic relationship with the student.

Reporting Suspected Child Abuse

Policies [DG](#), [FFG](#), [GRA](#)

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made Online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a

certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at bisdtx.org/FFG, Policy FFG. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy [DG](#)

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy [DG](#)

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy [CQ](#)

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the district Technology Department.

Below are the technology policies, located on the district website located on Staff Resources - Administrative Regulations, which every employee needs to be familiar with:

Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across some material you might find objectionable. While the District will use filtering technology to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.

RULES FOR APPROPRIATE USE

You will be assigned an individual account, and you are responsible for not sharing the password for that account with others.

You will be held responsible at all times for the proper use of your account, and the District may suspend or revoke your access if you violate the rules.

Remember that people who receive email from you with a school address might think your message represents the school's point of view.

1. INAPPROPRIATE USES

- a. Using the system for any illegal purpose.
- b. Disabling or attempting to disable any Internet filtering device.
- c. Encrypting communications to avoid security review.
- d. Borrowing someone's account without permission.

AGREEMENT FOR ELECTRONIC INSTRUCTIONAL MATERIALS OR TECHNOLOGICAL EQUIPMENT

In consideration for the District permitting me to use electronic instructional materials or technological equipment for personal business off school property or outside a school-sponsored event, I assume full financial responsibility for usage of such items to pay for any repairs and/or replace the Equipment if it is damaged, stolen, misplaced, or for any other reason not returned. I agree that Bastrop ISD may deduct money from my pay, not to exceed the Replacement Value, to cover the cost of repairing or replacing the Equipment that I may damage (other than normal wear and tear), lose, fail to return, or take without appropriate authorization during my employment. All use will be in accordance with applicable District policies, administrative regulations, and this agreement form. [See policies CQ and DH and provisions on the use of electronic media in the employee handbook.]

If the equipment is lost or stolen, the Superintendent or designee may reduce or eliminate my liability for loss or theft if (i) a police report is filed immediately and (ii) the Superintendent or designee does not find that the loss or theft resulted from my own wrongful or negligent acts or omissions. Such determinations shall be made on a case-by-case basis. I understand that the equipment should not be left unattended.

I also understand that the District recommends that I obtain appropriate insurance for the equipment to cover loss, damage, or destruction. [See DG(LEGAL)] I also acknowledge my possession of any Equipment assigned to me in the district's asset management system and financial responsibility for the Equipment usage off school property or outside of a school-sponsored event. I acknowledge that Bastrop ISD has not required that I enter into this agreement as a condition of my employment with Bastrop ISD. I further acknowledge that Bastrop ISD may request the return of the Equipment at any time, and I will be required to return the Equipment within one business day after Bastrop ISD has made such a request. The term "Equipment" as used in this Agreement shall mean the technology equipment assigned to me in the district's asset management system.

I understand that this user agreement must be renewed each school year.

Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. - The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the

employee is using private or public equipment, on or off campus. These restrictions include:

- Confidentiality of student records. [See Policy FL]
- Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (EXHIBIT)]
- Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH (EXHIBIT)]

An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and

- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or

- For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district email address.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of 10:00 p.m. and 6:00 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]
 - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's

record retention policy. The use of school accounts is recommended to ensure the requirements of Texas Government Code §552.004 for the preservation of emails and text as public information is met.

- An employee shall notify his or supervisor in writing within one business day if a student engages in improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

General Procedures

Emergency School Closing

The district may close schools because of severe weather, epidemics, or other emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the district's facilities. When it becomes necessary to open late, to release students early, or to cancel school, district officials will communicate in multiple ways including posting a notice on the district's website, notifying families directly by email/text/phone, and appropriate social media channels. All employees should be familiar with the safety procedures for responding to emergencies, including a medical emergency. Employees should locate evacuation diagrams posted in their work areas and be familiar with shelter in place, lockout, and lockdown procedures. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

Purchasing Procedures

Policy [CH](#)

All requests for purchases must be submitted into Skyward in the form of a requisition in advance of a purchase being made. A Procurement Card is available for use within each Campus/Dept in BISD. These purchases should only be done with a P-Card if the vendor does not accept a BISD PO or it is for registrations. An approved Purchase Order (PO) with the CFO's signature must be in place prior to an order being placed or services being rendered. The district will not reimburse employees or assume responsibility for purchases made without authorization from the Director of Finance or CFO. Chapter 21 contract employees that abandon their contract will not be considered for rehire.

Non-chapter 21 employees that do not provide at least two weeks' notice of their resignation will not be considered for rehire. Two weeks' notice is defined as 10 working days per the employee's school district calendar.

Former employees may be rehired if their previous conduct and job performance were satisfactory and who are eligible for rehire to a vacant position within BISD. Individuals may be re-employed if they have voluntarily resigned in good standing and provided at least two weeks' notice. Rehire eligibility for former employees with extenuating circumstances that are not aligned with the aforementioned guidelines will be reviewed on a case-by-case basis by the Director of Human Resources.

Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency on page 94. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Student Records

Policy [FL](#)

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus administration for assistance.

Parent and Student Complaints

Policy [FNG](#)

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to

their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

Administering Medication to Students

Policy [FFAC](#)

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Identify authorized employees and describe the procedures that must be followed when prescription and nonprescription medications are administered (e.g., recordkeeping, storage of medicine, etc.). Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Dietary Supplements

Policies [DH](#), [FFAC](#)

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Psychotropic Drugs

Policy [FFAC](#)

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

Student Conduct and Discipline

Policies in the [FN series](#) and [FO series](#)

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Student Attendance

Policy [FEB](#)

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent/guardian that describes the reason for the absences. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Bullying

Policy [FFI](#)

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyber bullying, to the campus principal or campus administrator. The district's policy FFI (LOCAL) includes definitions and procedures for reporting and investigating bullying of students can be found at this [link](#).

Hazing

Policy [FNCC](#)

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
