

INTRODUCING

The School Counselor

About Me

Hi! My name is Jennifer Blum! This is my 14th year in education, I graduated from SHSU. I am married to Landon Blum, and we have 3 beautiful children, Landon and twins Stella and Oliver. I am excited they will be attending Mina with me. Being a school counselor is not a job, it is my calling. I love helping students achieve their best self. In my free time, I love to spend time with my family and listen to podcasts. My favorite food is fried pickles and I love pink. I look forward to partnering with you this school year.

My Role

I will work to maximize student success, promoting access and equity for all students. As well as create a school culture of success for all. I help all students: apply academic achievement strategies, manage emotions and apply interpersonal skills.. School counselors design and deliver school counseling programs that improve student outcomes. They lead, advocate and collaborate to promote equity and access for all students by connecting their school counseling program to the school's academic mission and school improvement plan.
