

January Events

Dear CCE families,

Welcome back to our second semester! I hope that you had a magnificent time with family and friends during our winter break. My staff and I are excited and ready to welcome back your children. Before the break, 3rd and 4th grade teachers had the opportunity to meet and plan for the upcoming weeks as they prepare their students for the State assessments. Upon our return, PK-4 grade teachers, as well as support staff, had two days for professional development and time to prepare materials. Our goal is to help our students be successful in every step they take. Let's start the second part of the year really strong!

As always, thank you for the opportunity to serve your kids. Dr. Godínez
