

Cedar Creek Eagles Parent Newsletter

September 4, 2020

A note from Mrs. Ruby, Principal

This hasn't been an ordinary start to the school year but CCE is extraordinary. We are working hard to get things ready for our 50% opening on September 9. We have added four portables to our site and a large group of new and excited teachers. We have hand sanitizer, masks, wipes and floors marked for social distancing. All we are missing are the learners. Our goal is to reach and teach 100%. Let's work together to make it a great year. We are CCE. We got this!

Focus on Student Health and Safety

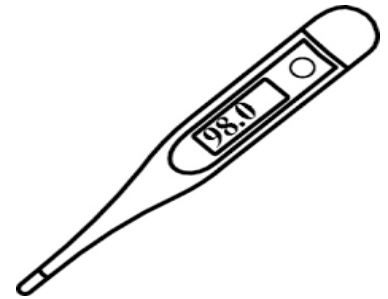

Masks are required for all ages and should be brought each day. Students wear them at all times except while eating or playing PE or recess.

Hand sanitizer is ready all over campus. Students will learn and practice routines to be safe, respectful, responsible in health and in life.

Do a self check before sending your child to school each day. Are they healthy? Is their temperature normal? If not, stay home and report health concerns to the school and your doctor.

Schedules for Learning:

Online:

Online Learning starts on ZOOM at 7:45. Check in with your teacher for your grade levels specific online and on-your-own learning.

Packets:

Picked up on September 4th. Drive up to the school or come to the Office on September 9. The second round of packets are due September 18.

Onsite:

Bus times will be provided

Drop off: 7am (no earlier)

Breakfast: 7:15 in classrooms

Bell: 7:45

Dismissal: 3:15

If you need for your student to leave early or have a change in transportation, call by 1:30.

Pick Up Schedule

In order to keep kids safe and spaced appropriately, we will have a staggered dismissal time as follows:

3:00 Last names A-G may pick up students

3:10 Last names H-P may pick up students

3:20 Last names Q-Z may pick up students

You will be given a car tag on your first day of school to put in your window. Please arrive within your time to prevent delays. Early arrivals will be asked to park or go back around.

For everyone's safety, please stay in your cars whether you are dropping off or picking up students. We will come to you.

FYI: Taking photos or videos of online meetings is not allowed. It is not legal.

**For safety reasons,
only essential visitors
are allowed onsite. Parents may
come to the office but must have
permission from Administration to
be in the school.**

CCE PTA is always looking for help. We plan activities to connect parents and help the school raise funds and be a better place to learn.

We would love to have you join us! Please complete the form and we will be in touch. <https://mail.google.com/mail/u/0/#search/PTA/FMfcgxwJXfhwNdJpFRWD/WkSWjkhndSvZ>

If your student is displaying symptoms of being ill, we have a special room to quarantine them. You will be contacted and **expected to pick you child up within the hour.** Please see the [Return to School Guide](#) on the school website for more information about all things COVID.

School Lunch info:

Please download the Nutrislice App if you have online learners and want to get lunch and breakfast. You can find the link on the website.
