

Don't Forget...Bank Day is Coming!

Bank Day at Mina Elementary will begin Friday, October 5, 2018.

Volunteers will be available in the cafeteria every Friday morning from 7:00 am to 7:30 am to accept deposits.

First National Bank of Bastrop is once again proud to bring the Save For America School Savings Program to your child's campus as an educational service to parents and students throughout Bastrop County.

If your child is not currently enrolled in the Save For America School Savings Program, please return the bottom portion of this letter to your child's teacher. An enrollment packet, including an account application, will then be sent home with your child. The completed application, along with a \$1.00 minimum opening deposit, can be returned to the volunteer on Bank Day. If you prefer, you may also return the application and opening deposit to any First National Bank location. We hope that you will encourage your child to make weekly deposits of any amount.

If your child has previously enrolled in the Save for American School Savings Program, a new account application does not need to be completed. Your child may begin making deposits on the first Bank Day of the school year.

We hope to continue to bring this and other valuable financial literacy initiatives to your child for years to come. If you would like to learn more about the Save For America program, you may go to www.schoolsavings.com or contact First National Bank directly at (512) 321-2561 or (512) 303-1003.

Cut here and return this portion to your child's teacher or the volunteer on Bank Day.

Yes! Please send a Save For America School Savings Program Enrollment Packet to my child.
