Dual Credit Senior Schedules

Seniors who want to take Dual Credit courses for 2019-2020 will be taking a minimum of two courses each semester. BHS is offering ENGL 2322 (British Literature) and GOVT 2305 (US Government) together in the Fall. Seniors will need to enroll in both of these classes in order to take dual credit courses. In the Spring 2020, we will offer SOCI 1301 (Introduction to Sociology) and ECON 2301 (Economics) together. All students that had requested ACC classes for next year have been advised of this schedule.

April 22, 2019

Students who have registered to take AP exams need to report to the cafeteria on Thursday during BEAR Time to precode your answer documents.

There will be a few spots open on the Bastrop Youth Advisory Council for the upcoming school year. This is the student-led board that provides a voice for the youth of our community to the Bastrop City Council. Applications are available in the front office. The application deadline is April 24.

Seniors, if you missed picking up your graduation invitations last week, see Mrs. Thomas in the front office.

Seniors who have not ordered their cap and gown for graduation may visit [this website](#) to order them.
