Bastrop Independent School District

Genesis High

2018-2019 Campus Improvement Plan

Accountability Rating: Met Alternative Standard
Mission Statement

Our purpose is to graduate our students and assist them with post-secondary education and workforce options.

Vision

Our vision is to open doors of opportunity by paving a clear path to graduation for our students at Genesis High School.

Core Beliefs

Family is the foundation that supports the development of the individual and the community.

Respect for other and self is shown through attitude and action.

Appreciation for diversity strengthens our community.

Investment in optimism leads to success.

Service to others builds community and personal growth.

Collaboration and team work enrich outcomes.

Commitment and strong work ethic are valued qualities.

A Culture of high expectations is a commitment to our future.

Positive character produces positive actions.

Comprehensive Needs Assessment

Revised/Approved: September 18, 2018

Needs Assessment Overview

To assess where our students are in relation to our Vision, Mission, and our board-approved goals, the SBC or various members reviewed all available data to identify our strengths and to prioritize our most urgent needs. The review includes data from the following:

- Disaggregation of STAAR data (Texas Academic Performance Report information)
- Results of early reading assessments
- Teacher and student surveys
- Discipline data review
- Safety and security audit
- Teacher demographics (highly qualified and retention rates)
- Staff development records and communication
- Student attendance and completion rates
- PBMAS
- Texas common application
- Technology data
- Migrant student data
- Strategic planning committee's research goals
- other
Demographics

Demographics Summary

87.6% Economically Disadvantaged
25.7% ESL/LEP
11.4% SPED
92.4% At Risk
70.5% Hispanic
22.8% White
5.7% African American
1% Two or More Races

Demographics Strengths

The diversity of the student body is the greatest strength of Genesis High School's demographics. Students are largely motivated to work within a flexible setting at their own pace to complete work that may have been less appealing to them in a more traditional high school. There are currently 105 students enrolled at Genesis.
Student Achievement

This table only shows first time test taker results.

Student Achievement Strengths

Genesis students earned a 71 scaled score in Domain 1 of the A-F Accountability System. EOC performance in Biology was a strength. Genesis graduated a record number of students in 2018.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: First time testers in English 1 and English 2 preformed below expectations. **Root Cause:** Gaps in the education of our first time test
takers are extensive.

**Problem Statement 2:** The results for first time testers in US History have declined each of the past three years. **Root Cause:** Gaps in the education of our first time test takers are extensive.

**Problem Statement 3:** First time testers in Algebra 1 preformed below expectations. **Root Cause:** Gaps in the education of our first time test takers are extensive.
School Culture and Climate

School Culture and Climate Summary

Due to the nature of our accelerated, self-paced program and the fact that our students are looking for the quickest way to graduate high school (as well as numerous other factors such as work schedules and childcare,) Genesis High School does not offer traditional extra curricular activities. However, there are other avenues for participation that our school is currently exploring such as opportunities for learning in the Book Club or participation in community drives (canned food drives for the Family Crisis Center and book drives).

There were no discretionary placements at DAEP for Genesis students during the last three school years (2015-16, 2016-17 or 2017-18). There were five mandatory placements at DAEP in 2017-18. Thirteen students were suspended (out of school) for one to three days during the 2017-18 school year. The total number of OSS days assigned was 52. Genesis does not operate an ISS program.

Genesis HS operates on the Optional Flexible School Day Program. Using this attendance program, we succeeded in graduating 132 students last year.

School Culture and Climate Strengths

We have a number of students who are willing to participate in school programs that offer flexibility and outlets for our students' generosity and altruism. We are continually working on ways to enfranchise students and still remain flexible with their work and school schedules.
Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

There has been no turnover in the teaching staff for the past three years.

Staff Quality, Recruitment, and Retention Strengths

During the 2017-18 school year, Genesis had seven teachers. Six of the seven teachers were ESL certified, and two of the seven teachers hold a special education certificate. Six teachers hold credentials in the academic core and one in business education and physical education. All of the Genesis staff are able to teach multiple preps.

The staff did not change during the 2018-19 school year.
Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Genesis High School currently operates with 7.5 teachers who supervise classrooms utilizing one on one instruction and the self-paced Edgenuity online curriculum for credit recovery and original credit. This curriculum is web-based and can be accessed at home as well as at school. Furthermore, Genesis HS offers open seating from 8-9:30am before school where students can go to their teacher of choice to work on their credits. Genesis administrators conduct a transcript analysis, meet with students frequently, and create the quickest path to graduation possible for all Genesis HS students, routinely changing schedules as credits are completed. Bi-weekly progress reports go out on Fridays to every student in GHS.

Curriculum, Instruction, and Assessment Strengths

Flexible attendance, open seating daily, regular progress updates with administration, web-based credit recovery program, and individualized counseling based on student transcripts provides students with supports to graduate.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1: Genesis needs to improve in the CCMR measure of state accountability. Root Cause: TSI testing and ACC student enrollment has not been systematically instituted.
Parent and Community Engagement

Parent and Community Engagement Summary

Genesis High School believes that family and community involvement is a critical factor in the success of students who need to complete their high school career. GHS administration requires a meeting with families and students personally as part of the enrollment process to discuss the student's needs and create the plan for graduation. Genesis office staff facilitates parents' online access through BISD's family access in Skyward, and teaching staff reaches out regularly to parents via phone and e-mail. GHS continues to make efforts to involve its students in the larger community through book and canned food drives, seeking opportunities to help students "plug in" and help where they can.

Parent and Community Engagement Strengths

GHS has facilitated parent online access, an involvement in the planning for student graduation, and opportunities for students to help the larger community as well as join student groups like the GHS Reader's Club. GHS continues to grow its social media presence and community presence through participation and sharing of information.
School Context and Organization

School Context and Organization Summary

Genesis High School is an alternative education high school with a capacity for 100 students at a time due to unique scheduling needs of students and our staff of 7.5 teachers. The curriculum is run through the web-based Edgenuity program on computers with individual one on one instruction provided by teachers depending on students' individual plans. Our goal is to put students on the fastest path to graduation and remove any potential "road blocks" to their graduation as possible, building them up and helping to counsel them through their post-secondary options.

School Context and Organization Strengths

The strength of GHS is in its flexibility both with attendance (Optional Flexible Day Attendance) and scheduling. Students are able to finish school and still go to work or attend to other matters such as childcare while working within an independent program on Edgenuity that is supported by a certified classroom teacher.
Technology

Technology Summary

Genesis HS is an almost completely computer based school with opportunities for one on one teaching as needed with each student. Students can work as quickly as they want to in order to complete credits for a high school diploma. Teachers act largely as facilitators in the classrooms as each student has different needs in different subject areas. The high school is dependent both on the Internet and the technology hardware in the classroom in order to deliver the online curriculum to each student and move them toward graduation.

Technology Strengths

The fact that GHS is entirely computer-based allows students the flexibility they need to work at their own pace and ask for one on one help as needed. The small classes allow for teachers to troubleshoot tech problems easily, and the small staff and close proximity to one another allows the campus TIG to quickly resolve issues. The use of the Edgenuity program allows students to work at home or at school as the program is web-based.
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data

**Student Data: Assessments**
- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results

**Student Data: Student Groups**
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group
- Special Programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data,
- Male / Female performance, progress, and participation data
- Special education population, including performance, discipline, progress, and participation data
- Migrant population, including performance, progress, discipline, attendance, and mobility
- At-Risk population, including performance, progress, discipline, attendance, and mobility
- EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
Career and Technical Education (CTE) data, including academic achievement, progress, program growth, race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

**Student Data: Behavior and Other Indicators**
- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records

**Employee Data**
- Staff surveys and/or other feedback
- State certified and high quality staff data
- Teacher/Student Ratio
- Evaluation(s) of professional development implementation and impact
- T-TESS

**Parent/Community Data**
- Parent surveys and/or other feedback
- Parent Involvement Rate
- Community surveys and/or other feedback

**Support Systems and Other Data**
- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Other additional data
Goals

Goal 1: We will develop and maintain a system of instruction which differentiates for every student's individual needs.

Performance Objective 1: By May 2019, Genesis will reduce out-of classroom (in-school suspensions, out-of school suspensions, and DAEP) placements by at least 5%.

Evaluation Data Source(s) 1: 2018-2019 end-of-year discipline data

= Accomplished = Continue/Modify = Considerable = Some Progress = No Progress = Discontinue
**Goal 1:** We will develop and maintain a system of instruction which differentiates for every student's individual needs.

**Performance Objective 2:** Increase the number of students passing EOCs, earning credits and graduating to 100% for all students who enroll in Genesis High School.

**Evaluation Data Source(s) 2:** Increase the number of credits earned, the percentage of students graduating, and the number of EOCs meeting and/or exceeding standard.

Measurable performance objectives for all appropriate Texas Performance Report System groups: African American, Hispanic, White, American Indian, Asian, Pacific Islander, Two or more Races, Special Education, Economically Disadvantaged, and ELL--Genesis students will meet the safeguard standards in performance for reading/writing, math, science, and social studies.

---

**Administration**

- Our defined specific, measurable targets for the percentage of students approaching, meeting and mastering grade level are:
  1. English 1 EOC - 60/20/10
  2. English 2 EOC - 60/20/10
  3. Algebra 1 EOC - 60/30/15
  4. Biology EOC - 80/30/15
  5. US History EOC - 80/30/15

  Meeting these targets will move Genesis HS closer to meeting the performance criteria in Domain 3.

**Problem Statements:** Student Achievement 1, 2, 3

---

**Administration**

- No discretionary removals to DAEP
- Increased graduation rates

---

**Administration**

- Documentation in ARD and staffing to be verified by student grades and EOC test scores.
- Walk throughs by administration to monitor.

---

**ARD committees at BHS and CCHS**

- Documentation in ARD that Genesis is an appropriate placement.

- Increased WADA (Weighted Average Daily Attendance) and attendance rates
- Increased graduation rate.

- Decrease the number of discretionary removals to DAEP and out of school suspensions.
- Increased graduation rates.

**Signed behavior and attendance contracts from all students.**

- Increased graduation rates.

---

### Performance Objective 1 Problem Statements:

#### Curriculum, Instruction, and Assessment

**Problem Statement 1:** Genesis needs to improve in the CCMR measure of state accountability.  
**Root Cause 1:** TSI testing and ACC student enrollment has not been systematically instituted.
Goal 4: We will strengthen and develop partnerships with students, parents, business and community members in order to empower learner success and productivity in a global society.

Performance Objective 2: Genesis will ensure a safe and secure environment for all students, staff and visitors as well as prepare to effectively respond to all emergencies that might affect safety and security of students and staff.

**Evaluation Data Source(s) 2:** Genesis will keep its students, staff and visitors safe from external and internal threats and will respond to emergencies according to BISD's Emergency Response Protocol.

**Summative Evaluation 2:**

<table>
<thead>
<tr>
<th>Strategy Description</th>
<th>Monitor</th>
<th>Strategy's Expected Result/Impact</th>
<th>Reviews</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) Genesis staff will participate in campus drills and invite city and county officials to participate in these drills. (1A)</td>
<td>The assistant principal will schedule the drills and maintain a log of their completion.</td>
<td>Genesis will be prepared in the event of an emergency.</td>
<td></td>
</tr>
<tr>
<td>2) Genesis administrators and counselors will attend district training in emergency response and create a campus safety team. (1A)</td>
<td>The training will be monitored at the district level. The campus safety team will be organized by the assistant principal.</td>
<td>Genesis will be prepared in the event of an emergency.</td>
<td></td>
</tr>
<tr>
<td>3) Genesis students and parents will be informed of discipline and attendance procedures as a part of the intake/enrollment process. An expectations assembly will be held at the beginning of each semester. (3A, 3C)</td>
<td>The principal and assistant principal will conduct the intake interviews and run the expectations assembly.</td>
<td>Genesis students will act in accordance with the BISD SCOC and the OFSPD program requirements.</td>
<td>✔ ✔ ✔</td>
</tr>

State Compensatory Education

State Compensatory Education (SCE) budgets, FTEs, and strategy connections will be finalized in October 2016.

LASERS

LASERS is an acronym for the components of the State's literacy plan.

L - Leadership

A - Assessment

S - Standards-Based Instruction

E - Effective Instructional Framework

R - Reporting and Accountability

S - Sustainability

As we move toward sustainability in implementing strategies and programs from BISD's involvement in the Texas Literacy Initiative grant, specific connections to the LASERS are shown in this plan's literacy strategies to show alignment with the State's literacy plan. The numbers listed with the letter from LASERS corresponds to a specific action step within that component.
