To help improve communication between parents and cafeteria staff, a low balance email notification can be sent to a parents email address once a student’s balance falls below a specific amount.

Negative notices are sent home at the time of the first charge. Once the student has reached the $5.00 charge, if unpaid, the student will receive an alternate meal which consist of a cheese sandwich, a fruit and a choice of milk. This meal is not charged to the student account. The student will continue to receive this alternate meal until all cafeteria charges are paid in full.
Every year, starting on the first Monday of May, no charges will be allowed. If a student is unable to pay for a meal, they will receive an alternate meal until the debt is paid.
